

GEMINI - CEILING PANELS

Gemini Ceiling Panels are designed to add dimension, texture, and a touch of modern sophistication to any elevated space. Choose from two versatile systems to achieve your desired aesthetic and functionality:

Stand-Alone System: Create breathtaking ceiling features with unparalleled depth and visual impact. Custom-fabricated to perfectly fit your unique space, this system offers a truly bespoke design solution.

Drop-Down System: Integrate stunning design effortlessly. Our drop-down panels are engineered for simplicity, easily fitting into any standard ceiling grid system for a quick and elegant upgrade.
